### Student Questionnaire

### High School Application

StarShine Academy Internationals Schools view each of its students as an individual of unfolding intellect, growing feeling, and developing self-discipline. The StarShine Academy Internationals Schools is dedicated to helping students discover their full potential as scholars, athletes, artists, and community members. When students choose a StarShine education, they make a commitment to themselves and to the School community to work towards this self-discovery. StarShine Academy Internationals Schools are dedicated to helping students achieve this goal in spite of all the obstacles that personal difficulties and society may place in the way.
